

AUDA StreetScape Update

June 14, 2011

CONSTRUCTION PROJECT UPDATE

From June 15th— June 21st, Hansen Brothers will finish up work on the waterline, including services and loading, testing and flushing the line. Trenching for the joint utility trench will continue this week. Construction Crews will commence work at Big-O-Tires and continue work towards Pine St.

Hansen Brothers will continue to have traffic control between Elder's Bus Station and Pine Street with one traffic lane open in each direction on Lincoln Way to facilitate the trenching work. The lanes of traffic will shift according to the construction work.

Construction will have no impact on Auburn Movie Night Out, Wednesday Night Live or Auburn Family Night Out.

Please anticipate some delays on Lincoln Way. We regret this inconvenience and ask our residents, businesses and visitors to be patient and considerate during the project. The construction will occur over the next six months.

Please remember that businesses are open during construction and there is public parking located on Lincoln Way near Elder's, near Depoe Bay and off E. Placer St.

More information on the Streetscape Phase II Project can be found online at:
